On Wednesday 10/11

**Date:** Tuesday 19th May, 2015  
**Time:** 7.30pm

Bobby Schindler is the brother of Terri Schiavo, and the Co-Executive Director of the Terri Schiavo Life & Hope Network which works to protect the lives of the medically vulnerable and disabled from the threat of euthanasia.

When Terri's estranged husband sought court permission to starve and dehydrate her to death, Bobby was suddenly propelled into a life he'd never imagined.

Following Terri's tragic death on March 31, 2005, Bobby gave up his teaching job at Temple Catholic High School and became a full-time pro-life and disability rights advocate.

Today, Bobby through the Terri Schiavo Life & Hope Network assists families in need of legal action to prevent their loved ones from health care rationing or food and water removal.

★ **Bishop Peter Elliott will speak about  
euthanasia and the challenges we face in Australia**
